

## **Raindrops and Sunshine**

### **VERSE 1**

Summer, Autumn, Winter, Spring  
Are the seasons that make a year go round  
I like Summer because it's hot  
Autumn's windy and the leaves go brown

### **VERSE 2**

The coldest season of the year,  
Is Winter, and there's a lot of rain  
Spring is when the pretty flowers bloom  
And then Summer comes again

### **CHORUS**

Raindrops and Sunshine  
Come through my eyes  
Raindrops and sunshine  
Falling from the skies  
Na na na na na  
Na na na na na  
They are falling (they are falling)  
Falling from the skies  
Falling from the skies

### ***Instrumental***

### **VERSE 3**

When the season of Summer is here  
It's time for a swim and a picnic too  
Next comes Autumn, when the leaves fall down  
I love to crunch them with my shoe

### **VERSE 3**

The Winter weather gets very cold  
Drink hot chocolate, hear the thunder roar  
Spring has sprung, nature comes alive  
They're the seasons, 1! - 2! - 3! - 4!

### **CHORUS**

Raindrops and Sunshine  
Come through my eyes  
Raindrops and sunshine  
Falling from the skies  
Na na na na na  
Na na na na na  
They are falling (they are falling)  
Falling from the skies  
Falling from the skies  
Na na na na na  
Na na na na na  
They are falling (they are falling)  
Raindrops and Sunshine
